Compost  
Submission  
Form

**Sampling Instructions: please read carefully:**

- Take several samples from 15-25 cm into the pile, halfway between the top and ground.
- Mix the cores together.
- Place **2 cups** of this mixture in a ziplock plastic bag.
- Mark each bag clearly with ID.
- Samples must include roots if Mycorrhiza assay is required.
- Send sample via Courier Post to: 12 Smith Street, Waihi, 3610.
- Report will be forwarded within 10 working days from receipt of sample.
