Supporting Farming in New Zealand

Leaf Colonisation  
Submission Form

**Sampling Instructions: please read carefully:**

- Take one leaf from top, middle and bottom of 4-5 plants and send as one sample.
- Keep treated leaves separate from untreated leaves.
- Put treated leaves in separate zip lock bags from untreated leaves.
- Place dampened cotton wool ball in with each set of leaves and 'breath' into bag
- Mark each bag clear with ID
- Send sample via Courier Post to: 12 Smith Street, Waihi, 3610.
- Report will be forwarded within 10 working days from receipt of sample.
