Supporting Farming in New Zealand

Soil  
Submission Form

**Sampling Instructions: please read carefully:**

- Take several representative 2-2.5cm diameter cores from the upper 7cm of the soil.
- Mix the cores together.
- Place **2 cups** of this mixture in a ziplock plastic bag.
- Mark each bag clearly with ID.
- Samples must include roots if Mycorrhiza assay is required.
- Send sample via Courier Post to: 12 Smith Street, Waihi, 3610.
- Report will be forwarded within 10 working days from receipt of sample.
